RE: Re: Renewal of Exemption No. 18415

Dear Sir or Madam:

On October 6, 2019, Agdrone Applications, LLC submitted a Petition for Exemption Seeking relief from §§ 61.3(a)(1)(i); 91.7(a); 91.119(c); 91.121; 91.151(b); 91.405(a); 91.407(a)(1); 91.409(a)(1) and (a)(2); 91.417(a) and (b); 137.19(c), (d), (e)(2)(ii), (e)(2)(iii) and (e)(2)(v);, 137.31; 137.33; 137.41(c); and 137.42 of Title 14, Code of Federal Regulations (14 CFR) to the extent necessary to allow Agdrone Applications to operate the HSE-UAV AG V8A+v2 unmanned aircraft system (UAS), weighing over 55 pounds but no more than 98.8 pounds, for aerial agricultural vegetation control and management operations in remote rural operating environments.

On December 10, 2019 the Federal Aviation Administration (FAA), approved the request and issued a grant of exemption, Exemption No. 18415. The approved petition was issued for a period of two years and expired on December 31, 2021.

Agdrone Applications Respectfully requests the FAA to renew the petition for the justification and analysis provided in the original petition. There are no material changes to the aircraft or operations. However, the POC and address have changed to the following:

Jayme Johnson
1419 Howell Rd
Beavercreek OH 45434

The original petition and approval accompany this request and all associated flight operations and safety manuals are located in regulatory Docket No. FAA-2019-0810. This information should provide the support necessary to grant the renewal.

For the foregoing reasons, Agdrone Applications Company requests the expedited renewal of Petition No. 18415. Should you have any questions, or if you need additional information to support Agdrone Application's request, please do not hesitate

to contact the undersigned.
